OUR HISTORY

Patrón is a locally-owned business built by Martin Bolaños, who moved to Pittsburgh in 2006 from Michoacán, Mexico, a state on the Pacific coast. He opened his first restaurant in Wexford in 2007, with later locations in Monroeville, and East Liberty.

The origin of Patrón represents an old family tradition on preparing authentic Mexican dishes from all over Martin's native Mexico. At Patrón's bar, you will find a large variety of select tequilas in a friendly atmosphere with an authentic Mexican decor for your complete satisfaction.

Above all, we want to be thorough in all that we do. We pay careful attention to the qualities of our culinary heritage, but we also aim to create something brand new. We want to explore the potential of modern cuisine and develop new takes on both well-known and less well-known Mexican recipes.

Since 2006 we've been in Allegheny County, Pennsylvania and have grown to four locations. In the name of all the staff, we thank our wonderful customers for choosing Patrón as your favorite Mexican dining experience. We truly appreciate seeing our guests who support us and seeing your families grow along with ours.

Follow us on Facebook at Patrón Mexican Grill.
